Welcome to Week 4 of Term 2.

I trust that all of our wonderful mothers had a relaxing and enjoyable Sunday. The P&C Mother’s Day stall was, once again, a huge hit with the kids as they decided on just how to say ‘Thank You Mum!’

Congratulations to our school leaders who attended the Grip Leadership Conference in Coffs Harbour with me on Thursday. All of the students involved set a wonderful example of what it is to be a leader, and I am sure that they came away from the day with a deeper understanding of what is needed to be a great role model for their peers.

Our Mid North Coast footy boys attended the North Coast Trials on Friday. It was certainly a long day with the trip to Grafton and then 3 games of footy before the trip home. All players tried their best and set a great example of sportsmanship and work ethic throughout the day. Special congratulations to Jake Jones and Samuel Donovan who gained selection in the Open North Coast Team. A huge thank you to Mr Freebairn, who coached the Open Mid North Coast Team, who went through undefeated on the day. Samuel and Jake will now attend a weekend camp at Lake Ainsworth and then the State trials in Cronulla later in the term.

Our District Cross Country runners also competed on Friday. Miss Wesley reports that all of the kids tried their best and made their school proud in this very tough event. A special congratulations to Crystal Wylie, Mitchel Summers-Whalley, Jaiye Langford and Ebony Wylie made it through to the next level. Special mention goes to McKeely Ricaud who will stand in as a reserve.

NAPLAN will be the main focus for our students in Year 3 and Year 5 this week. All assessments will be carried out in the morning and I cannot stress how important it is that all students attend on the set dates. This is a great opportunity for our teachers to get a real snap-shot of what areas we need to improve in and where we are going well. I am sure that all of the kids involved will give it their best shot.

This Friday is our NSRL 7’s day which will be held at Coronation Park in Nambucca. We are combining this day with our first round PSSA Knockout game against South West Rocks. With all of the extracurricular opportunities now available to our students, it is vitally important that we combine days wherever possible and keep interruptions to their school day to a minimum. All the best to all of the students involved in this event. Once again, selection in these teams is dependent upon a student’s work ethic in the classroom and sense of responsibility in the playground.

Have a great week.

Todd.

Fire & Rescue NSW Open Day 2015
Fire & Rescue NSW is hosting its annual Fire Station Open Day on Saturday, 30 May 2015 between 10am and 2pm. Children and their parents are invited to watch fire safety demonstrations, hop aboard our station’s fire truck, hold a fire hose and chat with firefighters about what they do.

This is a fantastic opportunity for children and their parents to meet their local firefighters, and with winter just around the corner, which is the worst time of the year for house fires, this is a great opportunity to learn as much as you can about home fire safety. Visit www.fire.nsw.gov.au to find your nearest 2015 Open Day participating station and join us on Saturday, 30 May 2015.
