Wednesday was a very exciting day for our Executive Team as Mrs Beauchamp and Aunty Nerida visited our local preschool with the Australian Literacy and Numeracy Foundation. The goal of this initiative is to strengthen the ties between our preschools and kindergarten, further developing the entry level skills of our students and giving them the best chance to maximise their potential in their first year of school. This is a very exciting initiative and something that Mrs Beauchamp, in particular, has worked tirelessly on. I look forward to seeing the results over the coming years.
20 of our boys attended a non competitive 7’s Rugby League Day at Coronation Park on Friday. All of the boys from both Stage 2 and 3 acquitted themselves with distinction. Their sense of fair play and sportsmanship was a credit to them. Stage 3 went through undefeated and Stage 2 only lost the one game by 2 tries. Our Stage 2 guys were awesome, sharing the ball around and making sure everyone had a go. Stage 3 really looked good. Their teamwork and work off the ball is great to watch. Thanks to Mr Freebairn for all his work out in the playground at recess and lunch. Thanks also to Pete who came along for the day and helped out. Our next outing will be to South West Rocks on the 28th May. This will involve our Opens Team in the PSSA Knockout.

This Monday was our District Touch Footy Trials. Boys and girls from our school walked to EJ Biffen Oval at 12:30 to try out for the Bellingen/Nambucca District Touch Footy team. We wish all of the competitors the best of luck in gaining selection.

Lewina Donovan was in Grafton at the North Coast Netball Trials on Monday. Lewina has done a great job to gain selection at this level with minimal netball experience and we wish her all the best.

Our Support Class athletes will be taking on the might of the High School Bocce team on Wednesday. The hall will become our fortress as we attempt to bring home the gold in this highly contested Bocce Tournament. I know that the kids are excited and look forward to having a front row seat when they are in action.

Public Speaking is alive and kicking in our school. All students 3-6 have been involved in class and stage Speak Offs as we prepare for our School Speak Off on Wednesday the 27th. From this school competition, 2 representatives will be chosen to compete at the District finals. Congratulations to EVERYONE who stood up in front of their peers and delivered a speech. You are already a winner! Best of luck to those of you who progress further in this tough competition. Thanks so much to Mrs Leahy for all of her work behind the scenes.

MNC Cross Country will be in Sawtell this Friday. Parents and carers will be responsible for transport to and from this event and we wish our runners all the best. Crystal and Ebony Wylie, Mitchel Summers-Whalley, Jaiye Langford, Jake and Zane Jones, James Hurley, Samual Donovan and possibly Lewina.

All of the students who are representing our school across this range of events are only doing so due to their hard work and diligence in the classroom and the playground. Acceptance into all of our teams is dependant upon students showing respect for their teachers, peers and most importantly, themselves. Congratulations to all of the kids involved!

Have a great week.

Todd.

“Fed Up” with Children’s Behaviour?

Understanding how food affects your child and what you can do - a revolutionary approach that changes parents’ lives

by Sue Dengate

Former teacher and psychology graduate, author of the famous Fed Up series, Sue Dengate became interested in food intolerance after recognising the effect of foods on her own children. Sue’s books have opened the eyes of desperate parents to the adverse effects of synthetic additives and natural chemicals in foods. In the past 25 years, Sue has spoken to tens of thousands of parents in Australia, the USA and the UK. Fed Up is an essential tool for parents wanting a calmer, happier and healthier family. Further information on Sue’s work at www.fedup.com.au
