Welcome to Week 7 of Term 1. Only a short newsletter this week as we had no computers yesterday and we are running a little short on time!

Congratulations to our Open’s and Under 11’s Rugby League players who attended the District Trials on Thursday. All boys who attended were selected and will now participate in the MNC Trials in Coffs Harbour on Friday 18th March. Notes have gone home and should be returned to school as soon as possible.

The Nambucca Valley Junior Rangers are coming to our school this term with some wonderful activities for the kids. With a cultural and environmental focus, the Junior Ranger Program is supported through our school by Mrs Bekis and Aunty Nerida. Keep an eye on the newsletter for more information as activities are finalised.

Our last ‘meet the teacher’ meetings were held on Thursday with several Kindergarten parents and carers making the most of the opportunity to meet their child’s teacher and find out how they can help out at home with their child’s learning. Parent/teacher interviews will be held this term in Week 10 or 11. This is a chance for you to have a one on one meeting with your child’s teacher and find out just where they are at with their learning and where they need to move to next. Notes will come home in the next few weeks, so please be sure to choose a time that suits you and return the booking form to school.

Thursday was a busy day for our school last week as it also saw SCB students head off to Bellingen for a wonderful day visiting sites from our local community that really bring the curriculum to life. By all accounts Mrs Inchley and the kids had a great day.

On Friday, we farewelled our very special Practicum student, Donna Baldwin. Donna has been an SLSO at our school for several years now, but has been studying teaching at the same time. With this last practicum she has almost finished her teacher training. We are very proud of her efforts and it was great to see her in a variety of different classrooms in a completely different role. I am sure that we will see Donna around our school casual teaching at some time in the near future.

Our school resembled an ant colony on Monday with all the kids involved in Clean Up Australia Day in the afternoon. Classes were allocated different sectors and rubbish was collected from around our school environment. Well done to all involved!

Year 6 applications for Year 7 placement in 2017 will go out today. Parents and carers of year 6 students are asked to complete the ‘Expression of Interest’ and return it to school as soon as possible.

This Friday is the MNC Soccer Trials in Coffs Harbour. Our own Josh Munro will be trialling, which is very exciting. Mr Lambert will be in attendance with his district team.

Our Fun 7’s Day is also being held at Coronation Park on Friday. There are about 40 boys and girls involved in this fun filled day. The focus is on participation and fun and I am sure we will all have a great time.

Have a great week. Todd.
Little A’s Success

We were very proud to have had 8 of our students attend the Little A’s Championship in Newcastle last month.

After training for years, Holly Blanch broke the record in shot put, throwing 6.95m. Holly is very proud of herself and keen to break more records in the future.

Special mention also goes to these students: Angus Holloway - 5th Shot Put, 100m, 8th Discus, Charlotte Kearney - 4th 60m Hurdles, 5th 100m Sprint, 8th Shot Put, Tate Ferguson - 5th Relay, Fiona Holloway - 2nd 60m Hurdles, 5th Shot Put, 5th 700m, Makayla Lamb - 3rd Walk, Emma Cox - 4th 60m Hurdles, 5th 800m, 4th 400m, 5th 200m.

Congratulations!

Year 7 in 2017

All Year 6 students will this week be receiving an ‘Information Guide and Expression of Interest’ form for students moving into Year 7 in 2017.

The ‘Expression of Interest’ form needs to be completed and returned to the class teacher before Friday 18th March.

Class Merit Awards

Congratulations!
